

A Day of Fun & Excitement For Special Athletes From The Special Olympics

Date: Saturday July 18, 2009

Rain Date: Sunday July 19, 2009

We are pleased to announce that the date of the event will be July 18, 2009. Shore Dreams for Kids is a non-profit organization who throughout the year set out to raise money to hold an annual event for approximately 700 children and their families from the Special Olympics, Make a Wish Foundation, Oceans of Love Support Group for Children with Cancer and mentally and physically challenged children as well as special needs children throughout the area to a day at the shore. Our annual event offers these children and their families a day of entertainment which includes a "carnival atmosphere" complete with games and small rides, an antique car display, food and drinks, live entertainment and most importantly Performance Powerboat rides in the Barnegat Bay, NJ. The boat rides are conducted by local Performance Powerboat owners, including but not limited to the New Jersey Performance Powerboat Club who volunteer their time & boats to share with those less fortunate.

We are seeking donations to help fund our annual event and please keep in mind, Shore Dreams for Kids is a 501c(3) fully exempt Not for Profit organization and as such, your donation is tax deductible according to the standard IRS guidelines.

Our event would cease to exist without the help of a wide variety of companies and individuals who donate their time, services and hearts to this one day event. The reward of seeing the smiles and children's eyes light up from all that is shared with them is truly immeasurable. So please help us keep the smiles growing by showing us your support.

For additional information on how you can help please visit to our website www.Shoredreamsforkids.org

Thank you for your consideration,

Toms River NJ 08753

Dear Mr. Patanaude:

On behalf of the Board of Trustees of Children's Specialized Hospital, our 1,000 staff members and over 15,000 children we serve, our deepest appreciation to you and your group for the wonderful event you hosted on July 16th. You truly made dreams come true for our children that day.

At Children's Specialized Hospital, our children often face very difficult physical challenges. Through those challenges, they also get to experience the kindness of people, such as those from your club, people who just want to do a good thing. One of the young women who had never been in a boat before, told me that it was the most exciting thing she has ever done in her 17 year life. She got to feel the speed, the wind, and the thrill of the water. This was something that she and her mom never thought she would be able to experience. This same young woman is confined to a wheelchair due to her disability, and is working this summer as a teaching assistant with five-year old children with disabilities. Children who are challenged due to their disability need to experience what is possible in order to dream as large as the world will let them. In one Saturday in July, you helped them to expand their dreams.

Please extend our deepest appreciation to all of the volunteers. We can not thank you enough for all you have done.

Sincerely,

Amy B. Mansue
President and CEO

So many thanks!

Dear Friends,

I am writing on behalf of The Arc, Ocean County Chapter and the hundreds of members we support. To be invited places is such a treat, because there are so many of us. The “Boat Ride & Picnic” has become such a favorite day and our member look forward to it every year. Your many volunteers make ready for *all* of us; plenty of shade, food, drinks, snacks, games and music. Then, we are escorted across the street to ride on the boats-wow! They get cooler and faster every year!

We *all* so appreciate this incredible day. Thank you so very much for including us in your day. It was wonderful.

On behalf of the members, staff and board of directors, we want to thank you again for a fantastic afternoon.

Sincerely,

Robin Collins
